INTERNATIONAL UTILITIES COMMITTEE REPORT TO REGION 1

I attended the International Utilities Committee meeting in Las Vegas held after the Federal Agency Update. The meeting was held on January 17, 2009.

The sessions that the Utilities Committee finalized for the annual conference in June are as follows:

Stormwater Permitting Requirements for Construction of Highways, Pipelines and Utilities, Monday June 29, 10:15am-11:30am (Joint Session with Environment)

I Want It Underground, Monday June 29, 1:30pm-2:45pm

Renewable Portfolio Standards-Impacts on Property Rights Wind Generation, Tuesday June 30, 9:15am-10:30am, Session 1, Tuesday June 30, 11:00am-12:15pm, Session 2

How to Be an Expert Witness Tuesday June 30, 2:00pm-3:15pm

What Story Does Your Face Tell? Tuesday June 30, 3:45pm-5:00pm

Utility Round Table Wednesday July 1, 10:00am-11:30am

Respectfully Submitted,

Michael Burns SR/WA

Region 1 Representative, International Utilities Committee
