Welcome to the IRWA Certification Program!

IRWA Certification is both a journey and a destination. For experienced and skilled right of way professionals like yourself, your certification validates your skills and demonstrates your proficiency in your chosen discipline. The IRWA Certification Program R/W-C is a structured process designed to provide you with the knowledge and tools that will help you advance in your profession.

Stay Ahead of the Curve

Today's marketplace is crowded and complex, and individuals and businesses that don't stay ahead of the curve often risk being left behind. To develop a solid, competitive advantage—and to remain ahead of that curve—you can rely on an IRWA Certification to prepare you and your company for whatever lies ahead.

The Only Name That Counts

IRWA stands for the highest standard of excellence. As such, IRWA Certification is a rigorous process that will work to differentiate you from other professionals. Our high standards have enabled us to create a distinction that is universally respected by customers, businesses and colleagues across most disciplines.

The Right Stuff

Companies with employees that are IRWA certified report impressive results. Certification can win often win business in competitive situations. Perhaps that's because customers prefer doing business with IRWA -certified staff rather than those without the stamp of Certification. Certified professionals often make better employees. They tend to exhibit higher productivity, reduced learning curves, increased technical competencies, lower error rate, and a higher level of job satisfaction.

Individual Benefits

In addition to gaining new skills, enhancing your knowledge base and adding to your list of credentials, employees can expect to attain a wide range of workplace benefits. These may be in the form of peer recognition or demonstrated financially through a promotion, pay raise or additional perks.

Benefits to Employer

Employers who support continuing education for their staff can expect significant benefits! They will be rewarded with higher employee retention, increased productivity and a boost in employee morale and confidence. Retaining experienced staff is an enormous competitive advantage for any employer.

R/W-NAC Negotiation/Acquisition Certification Program At a Glance

International Right of Way (R/W) Certification Program

What is a Right of Way Certification?

The Right of Way (R/W) Certification is granted to IRWA members who have achieved professional status through experience, education and examination in a single right of way discipline.

Earning this certification demonstrates an unparalleled achievement in a single discipline and reinforces a standard of excellence. The International Right of Way Association offers certification in the following 5 disciplines*:

Discipline	R/W Certification
Appraisal	R/W-AC
Asset Management	R/W-AMC
Environmental	R/W-EC
Negotiation/Acquisition	R/W-NAC
Relocation Assistance	R/W-RAC

**Members can only become certified in 2 disciplines until the SR/WA designation is earned.*

What are the prerequisites for the R/W Certification?

Any member involved in one of these 5 right of way professional disciplines is eligible. Applicant must be a member of the IRWA in good standing, have a minimum of 2 years of relevant ROW professional experience within the last 5 years, and meet the coursework and exam requirements.

How do you pursue the R/W Certification?

The application process is easy:

- Obtain a R/W Application form from local chapter *or* [online](#)
- Complete experience, coursework and exam requirements
- Submit completion Application Form, along with certification fee, to PDC Chair
- Wait for approval notification from IRWA World Headquarters

What happens after the R/W Certification is earned?

The R/W Certification expands employment opportunities, increases salary potential, boosts chances for career advancement and demonstrates professional commitment.

Employers benefit from the R/W Certification too. Most employers recognize the roles that professional development and continuing education play and encourage their staff to pursue such things. The R/W Certification helps employers to identify and reward employees with proven initiative, dedication and knowledge. It helps to create a strong professional foundation and training ladder. The Certification enhances employee skills through multidiscipline training and examination. It also assures continuous educational updates through recertification.

International Right of Way (R/W) Certification Program

R/W Recertification

Members holding a R/W Certification *must* recertify every 5 years. To recertify, a member must accumulate the required credit within a 5 year period from the date of receipt of the Certification or from the date of the previous recertification. Failure to recertify will result in the loss of the member's certification.

Recertification Requirements

30 CEUs must be earned through attending or facilitating courses or seminars approved for recertification credit by the IRWA. Of these 30 CEUs, a minimum of 8 must be earned by attendance as a participant or facilitator in a course in that certification discipline and 8 CEUs must be earned through meeting the Ethics Course requirement. *

R/W Certification designees can receive up to 16 CEUs of recertification credit for paid attendance at IRWA's Annual International Education Conference.

All members holding a R/W Certification must successfully complete IRWA's C-103, Ethics, or C-104, Standards of Practice, during the appropriate 5 year cycle. Additionally, R/W-AC members must successfully complete IRWA's C-406B, 7-hour USPAP, or The Standards (Canadian) every 2 years.

*R/W certified members taking class for recertification credit are not required to take the course exam. However, participants taking an IRWA course for CE or other type of credit, for license renewal or other purposes are required to take the course exam.

R/W Certification Inactive Status (Parked Status)

R/W Certified members can retain their right to the R/W Certification during an inactive period, when they are not employed in or otherwise involved with the right of way profession. A R/W Certified member may request the inactive status as follows:

1. Submit a letter, along with the processing fee requesting the R/W Certification be held in an inactive status and acknowledge that during such period, the R/W Certification may not be used*
2. During each year the R/W certification is maintained in an inactive status, an annual fee shall be assessed for maintenance of the R/W Certification. The Annual fee shall entitle the member to receive the IRWA magazine.

*To apply for inactive status, certification must be current. Inactive status may not be applied for if recertification has expired.

International Right of Way (R/W) Certification Program

R/W Certification Inactive Status (Reinstatement)

When the member is ready to re-establish their active status, the process is as follows:

1. Submit a letter requesting to re-establish the active status of the R/W Certification, including a reinstatement fee.
2. Complete current recertification requirements for the R/W Certification. (Recertification must be completed within what remains of the original R/W Certification 5 year period from the time the inactive status was entered into.)
3. Comply with any current recertification or other requirements as may be established by the IPDC

Applying for Award of Credit for a Non-IRWA Course

In order to be awarded R/W recertification credit, the subject matter of a non-IRWA course must be consistent with current Right of Way principles and practices, and enhance the Right of Way disciplines of:

1. Appraisal,
2. Communication/Negotiations,
3. Engineering,
4. Environment,
5. Management/Supervision,
6. Property Management and
7. Real Estate Law

Right of Way Certification Program R/W-NAC Negotiation & Acquisition Certification Recertification

International Right of Way Certification (R/W) Recertification

Why do R/W's need to recertify?

The International Right of Way Association believes that all professionals holding the R/W Certification must continue their personal and professional development through a combination of continued work experience and continuing education. Therefore, the IRWA requires all R/W members to recertify every 5 years to maintain their professional certification.

What is required to recertify?

The R/W recertification requirements consist of earning 30 CEUs by attending or facilitating courses or seminars which have been approved for credit by the IPDC. Of these 30 CEUs, a minimum of 8 must be earned by course attendance as a participant or facilitator at a course in that certification discipline and 8 CEUs must be earned through meeting the Ethics Course requirement. Additionally, R/W-AC members must successfully complete IRWA's C-406B, 7 hour USPAP or The Standards (Canadian) every 2 years.

R/W Certification designees may receive up to 16 CEUs for paid attendance at IRWA's International Educational Conference.

IRWA Chapter seminars, meetings, regional forums and any non-IRWA program *must* be submitted to the IPDC for recertification credit approval. It is advisable that approval is obtained *before* the presentation or at the very least, before recertification is due.

Approval letters and proof attendance/completion must be kept in designee's records and *must only* be submitted to World Headquarters as supporting documentation along with the recertification application.

The recertification period is 5 years from the initial certification and applications will be accepted by Headquarters up to 1 year before the due date.

R/W Certification designees taking an IRWA course for recertification credit are not required to take the course exam.* However, participants taking an IRWA course for CE or other type of credit, for license renewal or other purposes are required to take the course exam.

* Exams **must** be taken for any online course or seminar to obtain recertification credit.

Right of Way Certification Program R/W-NAC Negotiation & Acquisition Certification Recertification

- Management/Supervision,
- Property Management and
