CHAPTER INITIATIVES / SEMINARS / PROJECTS

- a. Continued efforts at accommodating members from outside Reno/Sparks, particularly Carson City. Means: 1) Locate members who need IRWA certification, so they are motivated to travel to the meetings. 2) Schedule more meetings in Carson City. Currently it is 1 of 9 per year based on past local attendance and interest, but the goal is at least 2.
- b. Continued efforts at supporting NDOT members and encouraging meeting attendance. Means: 1) Identify and support a member (s) within NDOT who can benefit from the meetings and who support from within our efforts. 2) Offer courses specifically for their staff and agency needs.

CHAPTER GOALS FOR THE YEAR

- 1) To increase membership.
- 2) Focus on educational needs of the chapter's candidates.
- 3) Reviewing and updating our chapter's by-laws.
- 4) Maintain adequate chapter funds, and expend such funds properly and cautiously
- 5) Update the annual calendar to anticipate and meet the various activity deadlines

NEW IDEAS FOR MEMBERSHIP RETENTION AND GROWTH

Promote newer members into chapter leadership roles, and make sure they have the encouragement and active support of the experienced members.

RECOMMENDATIONS TO SHARE

Put together an annual chapter calendar that reminds the officers and board of each activity deadline in advance, and that reflects both the chapter events and the international events.
