

International Surveying & Engineering Committee (ISEC)
2010 Region 1 Fall Forum Report
James M. (Mike) Hart, PLS, CFedS
Region 1 ISEC Representative

Chair: John Alexander, SR/WA
Vice Chair: Julie McDonald

- ISEC Committee
 - Schedule:
 - ISEC Committee met at the Annual Conference of the American Congress on Surveying and Mapping in Phoenix, AZ on Sa 24Apr 2010.
 - Conference call planned for Mo 20Sep 2010 postponed; date/time TBD
 - Next meeting at ESRI/ACSM join conference in July 2011 in San Diego.
 - Action at last meeting
 - A committee was formed (chaired by MH) to begin development of standards for ROW acquisition survey documents. The committee will be soliciting input from across IRWA on what is important to show on the various exhibits.
- Region 1 Rep activities
 - Made presentation at lunch meeting of Chapter 57 on 14Apr on "Understanding the Basis of Bearings"
 - Attended the officer installation event of Chapter 47 on 16Jul.
 - Prepared article for Chapter Newsletters titled "The Boustrophedonic Pattern – What?". Offered the article to all Chapters in Region 1 – about 50% responded.
 - Will be developing monthly articles on surveying for future Chapter Newsletters – available to everyone in Region 1; notice will be sent as they become available.
