

**Asset Management Committee Region 1 Fall Forum
October 8, 2011 San Jose**

1. What is your Committee working on and how may the leadership within Region 1 be of assistance to you?

- Recommend a member of Region 1 for an At-Large member of the Asset Management Committee
- Asset Management Committee will be seeking writers to update / re-write the 700 series courses and possibly add new courses via an RFP process early next year. Region 1 can recommend potential course writers to include in the distribution list.
-

2. Has your Committee begun identifying sessions for the 2012 Annual Education Conference and are you working with other Region 1 Representatives to conduct co-sessions? If yes, with whom and which Committee(s)?

- People, Places and Things
- Surplus Property
- Green Building/Environment

3. Are there any current educational or professional business opportunities that affect your Committee's focus that would be of interest or benefit to the Region 1 membership?

- Any Asset Management courses offered in Region 1 for the rest of the year?
- Presentation on Disposition of Surplus Property that is available for Chapters to use at their meetings
-

4. What is the process for Region 1 members to be considered for Members-At-Large on the Committee you represent? Is there a waiting list or application process?

- Provide a letter of interest to the Region Chair and outline why you want to be a member of the Asset Management Committee and what you can bring to the committee.
- Region Chair recommends applicant and provides request to Committee Chair and Vice Chair
- Committee Chair and Vice Chair review and make recommendation

5. When were you appointed to serve as the Region 1 Representative to the current Committee?

- 2005
